Incident Summary: On December 22, 2018 at approximately 11:25 a.m., the victim met with a male in the parking lot of 1500 Lockbourne Road to sell an Apple watch he listed on the site Letgo. The buyer/suspect initially attempted to short change the victim by sixty dollars. The suspect then agreed to retrieve additional cash from inside the CVS at the location. The suspect and another male entered the store briefly and upon exiting handed the victim cash. The victim began to count the money and was punched in the face and shoved to the ground. The suspects took the cash and watch and fled on foot.

The suspects were both described as male blacks, early twenties, wearing dark clothing with hoods. One had a blue beanie/toboggan and white shoes, one appeared to be wearing tan boots.

The suspects were captured on the store's surveillance video. A still image is attached. Please block out employee behind counter and the two female customers in line.
